WORKSHEET: **CHARTING ASSETS**

Make a copy of this page for you and one for your spouse and list all of the assets that both of you own, including: bank accounts (including investments); pensions and retirement accounts; real estate; businesses; vehicles; patents, copyrights, and royalties; antiques, art, and collections; and cash-value life insurance. Note whether marital or non-marital funds were used to purchase the item under the "**Source of Payment**" category.

Description	Date Acquired	Titleholder	Cost	Source of Payment	Value as of (Date)
