### **Pension Valuation .....\$300.00 Flat Fee**

The money due to you at some time in the future is not worth nearly as much as it is today due to the time value of money. We will work with you to determine the proper valuation of this asset to ensure you get (or give up) what is fair.

### **Executive Compensation Valuation.....\$300.00 per hour**

**Included: Restricted Stock, Employee Stock Options, RSUs, ISOs, NQSOs, etc.**

We can help someone value their executive compensation to ensure a fair and equitable settlement during divorce in a number of ways.

If you are an executive, or someone who is married to one, who is going through a divorce, it is important to ensure that your executive compensation is valued fairly and that you receive a fair and equitable settlement.

### **401(K) Community Property Valuation.....\$300.00/hour**

In order to determine the fair market value of a 401(k) plan, a number of factors are considered, including the current balance of the account, the investment options available, and the fees associated with the plan. The value of the 401(k) may also be affected by the age of the participant, the length of time they have been contributing to the plan, and the tax implications of dividing the account.

Dividing a 401(k) can be a complex process, and this step is critical if you had a 401k that was started prior to marriage.
